

SCALESPLUS

VariWeigh Mobile Weighing Stand

Patent No. 12,000,526

SP-V100

Key Features

- ✓ Durable Aluminum Construction
- ✓ Height adjustment range from 55 to 84 inches
- ✓ All-in-one mobile solution for overhead and bulk weighing
- ✓ Proprietary force-assisted bearing mechanism
- ✓ 3" total-lock casters

Portable. Versatile. Accurate.

The VariWeigh mobile weighing stand from Scales Plus provides a versatile mobile weighing platform for both overhead and bulk weighing. Combined with compatible scales, VariWeigh offers a proprietary all-in-one weighing solution that is fully portable. For overhead weighing, VariWeigh can accommodate products ranging in length up to approximately 84 inches at full height. This allows users to accurately weigh large items that are typically difficult to weigh on a standard scale.
